RED CROSS WAR  
FUND CAMPAIGN WILL  
GET STARTED TODAY

Committees for the annual drive in the American Red Cross War Fund Campaign will launch the first phase of the drive today, to raise the quota of \$6,400.00 which has been assigned to the West Coffee Chapter. Prof. J. C. Dixon, of the Elba schools, is again director of the campaign.

Throughout every community in the area embraced in the West Coffee Chapter, committees have been named to carry on this drive and every possible effort will be made to bring the campaign to a close on or before March 15. In many counties the war fund will be raised in ten days.

At a meeting held Monday night at the school auditorium instructions were given workers about the house to house and person to person canvass that will be made. Miss Nell Howze, general field representative for this area, and Mr. Geo. Whitaker, assistant field director, who has recently returned from overseas service, were present to tell of the urgent need of increased war funds this year.

Emphasizing the scope of activity of the Red Cross, both at home and on all battle fronts, all speakers point out that it is vitally important that contributions be increased this year, in order to meet the expanding responsibilities that are being placed on the Red Cross.

Be prepared to give now—and more. If the committee fails to see you, call the local Red Cross office, or the war fund director, and make your pledge.

COUNTY AGENT  
GIVES MANY TIMELY  
GARDEN SUGGESTIONS

By Hugh D. Sexton,  
County Agent

Food production cannot be over-emphasized in 1945. A home or victory garden will produce considerable food provided it is properly managed.

If the garden has not been started, it should be started at once. There are a number of things that must be done before planting can be started. First, it is suggested that the garden be given a good cleaning; get last year's rubbish out of the way. Second, broadcast manure—two cotton baskets full on each 100 feet of row. On sandy soil or other types that are known to be acid, apply basic slag at the rate of 10 pounds per 100 feet of row. Third, the soil should be plowed to a depth of 6 to 8 inches. Rake until soil is smooth. Finally, mark the rows, making a furrow four inches deep. Put 10 pounds of 4-10-7 fertilizer in each 100 feet of row and cover it.

Good seed, of varieties known to be adapted to Alabama conditions, are very important. Poor stands are due largely to seed being planted too deep. With the exception of English Peas and potatoes, early spring vegetables should be planted on low beds. The garden rake is the only implement needed in planting these vegetables. When ready to plant, freshen the soil with a rake. Do not make a furrow with a hoe but simply sprinkle the seed on top of the loose soil, walk on them, and cover with just enough soil so the seed cannot be seen.

Some garden crops that should be planted now are: Beets, cabbage, carrots, lettuce, English peas, onions, potatoes, radishes, turnips and spinach. Tomato seed should be sown now in hot bed or window box.

Mr. H. I. Boland, of Liberty, spent last week in Elba, guest in the home of Mr. and Mrs. Hub Morrow. On account of the bad weather and his health, he did not get to visit around town very much. His letter last week was received too late for publication. In it he stated Mr. and Mrs. Waylon Messick have a new boy at their home. Also that Mr. Henry Cook, who was seriously burned when his home was destroyed by fire, passed away in Edge hospital at Troy on February 5. Friends will regret to learn of Mr. Cook's death.

Mr. and Mrs. G. W. Morrow and children, John, Joe and Andy, of Graceville, Fla., and Mrs. L. E. Hay, of Donaldsonville, Ga., were guests Sunday of Mrs. J. H. Armor and other Elba relatives.

MRS. MADIE E. OWEN  
DIED LAST SATURDAY  
IN HOMERVILLE, GA.

Mrs. Madie E. Owen, 86 years of age, former resident of New Brockton, died at Homerville, Ga., hospital last Saturday following a long illness. She was the widow of the late A. A. Owen, prominent citizen of New Brockton, and was the mother of Mrs. G. M. Prescott, of Elba. The body was brought to Elba late Saturday and remained at the Prescott home until funeral time Sunday afternoon.

Surviving are four daughters: Mrs. G. M. Prescott, Elba; Mrs. G. C. Dawkins, Dothan; Mrs. H. G. Huey, Homerville, Ga.; Mrs. Arthur H. Dubose, Houston, Texas; three sons: S. A. Owen, Florence; Will T. Owen, Gadsden; Perry Owen, Texas; 36 grandchildren, 33 great-grandchildren, and one great-great-grandchild.

Funeral services were held at New Brockton Methodist Church Sunday afternoon at three o'clock, with Rev. W. M. Sproule, of Elba, directing. He was assisted by the church pastor. Interment was in the New Brockton cemetery. Bonneau - Jeter had charge of funeral arrangements.

HEARS FROM BROTHER  
IN JAP PRISON CAMP

Mr. and Mrs. Charlie Kendrick, who are now residing in Panama City, visited in Elba week before last and brought the news that Mrs. Kendrick's brother, Pfc. Dick Hutchison, U. S. Marine Corps, had finally been heard from. About the first of January Mr. and Mrs. G. I. Hutchison received the first letter from him in more than three years. He is a prisoner of war somewhere in Japan.

Pvt. Hutchison, who has been overseas for the past six years, was with the International Settlement in Shanghai before war began. He was captured on Bataan about three years ago. On a card recently received, Pvt. Hutchison said: "We had a Merry Christmas and received packages from the Red Cross. . . . My health is excellent. . . . I am working every day."

OSCAR HYATT ENJOYS  
PEANUTS FROM COFFEE

Oscar Hyatt, Seaman 1st class, U. S. Navy, wrote his parents, Mr. and Mrs. A. J. Hyatt, Elba route 3, several weeks ago that he had received a package containing peanuts and pecans, and that the nuts were being thoroughly enjoyed.

Oscar stated that he had a good time Christmas with a party and Christmas tree. "Everybody stopped work and the enlisted men didn't have to do a thing. The officers did all the work. We had a real big dinner, a play, a movie, and then everybody went up on the flight deck and sang Christmas carols. The Captain came down and ate dinner with the enlisted men. He stood in line with us and all the officers who were not working had to stand in line. Of course it was not like being back home but it was swell anyway," wrote the sailor.

Mr. R. E. Williams, of Kinston, called at The Clipper office last Friday. He stated that his health is greatly improved after a siege of heart trouble. He said, however, that the doctor says he must stay in bed twelve hours of the 24 each day, which is a severe dose for a man who has been accustomed to sleeping not to exceed five or six hours per day.

Mr. and Mrs. M. E. Tye visited relatives in Birmingham last week end, returning to their home at Zion Chapel Sunday. They were accompanied home by Mrs. W. J. Strickland, Mrs. Tye's sister, who will be their guest for several days.

ELBA, ALABAMA, THURSDAY, MARCH 1, 1945

NUMBER 38

Now, more than ever...  
your RED CROSS is at his side

As wounded American boys come back from the battle fronts they find American Red Cross workers in all military and naval hospitals ready to help them. This year there will be more need than ever before for Red Cross service in domestic hospitals.

## Red Cross War Fund Head Enlists Full Public Support

WASHINGTON, D. C. — Urging each American citizen to consider the Red Cross as his personal enemy to his particular serviceman.

Colby M. Chester, chairman of the 1945 American Red Cross War Fund campaign, today asked all Americans to give to their fullest ability in support of the 1945 national goal of \$200,000,000.

"Those of us who must stay at home and fight by doing our daily tasks as efficiently as possible," he said, "like to feel that though we are not beside John or Jim or Bob on the battle field, we do have a personal ambassador in each of the ten thousand Red Cross workers now serving with the troops overseas."

Opening March 1 and continuing throughout the entire month, the third Red Cross War Fund will not only fill increased needs on advance war fronts, but will provide needed services to those who have returned from active duty, their families and their buddies awaiting transportation overseas, and their friends and neighbors at home in time of natural or war-caused emergency.

More than 3,000,000 volunteer supporters stand ready to aid in local collections in every American community. Each will devote his time and effort toward reaching the goal so that men and women in military service will know the Red Cross "is staying right with them, right up to and beyond the day of peace and victory," Mr. Chester explained.

Without personal gain or remuneration, the 3,000,000 men and women volunteer canvassers will represent 3,756 Red Cross chapters throughout the nation. Seeking from door to door these contributions, which will not be made through factory, office, school or theatre, each will carry an official identification card for the protection of the householder. For the most part, however, such identification will be unnecessary because the solicitor will be a neighbor or friend. To each contributor, he will give a red, white and blue window sticker bearing the well-known Red Cross emblem.

HEALTH MOVIE GIVEN  
FOR COLORED PEOPLE

About 200 parents, teachers and students of Elba Colored School enjoyed a movie on Health Education, "To The American People," starring James Hersholt. This film shows injury of uncontrolled Venereal Disease to men in military training and need for civilian blood testing and treatment.

Dr. H. Yoskif, Captain Army Medical Corps and Veneral Disease Control Officer of Camp Rucker, WAC Pvt. Wilson and Army Corp. Smith brought projector and sound outfit from Camp Rucker and the films were furnished by the U. S. Public Health Service thru the local health department. We hope many such educational films can be made available soon to large audiences over the county.

HARDER-CLARK

Mr. and Mrs. Audie Clark of Kinston, announce the marriage of their daughter, Audie Merle, to Sergeant Glen Harder, A. T. C., of Harrison, Nebraska. The ceremony took place at the Chapel of the Army Air Base, Birmingham, Ala., on June 16, 1944, with Chaplain Barrett officiating. Mrs. Harder will be assistant supervisor of the first floor, West End Baptist hospital, where she graduated February 19, 1945. Sgt. Harder is now stationed in Africa. After the war, they plan to make their home in Nebraska.

Friends of Miss Wilma Godwin are glad to see her home from Gibson hospital. She underwent an operation last week, and trust that she may soon be fully recovered.

DAY OF COMPASSION  
WILL BE OBSERVED  
NEXT SUNDAY

"Compassion for others" will be the theme next Sunday in the Elba Methodist Church as the congregation takes part in a nation-wide observance of the Day of Compassion to climax the appeal for the raising of \$25,000,000 for postwar relief and reconstruction in the denomination's Crusade for Christ, it was announced by the Rev. W. M. Sproule, pastor.

Inaugurated four years ago, before the United States entered World War II, the Day of Compassion has been observed annually by nearly 8,000,000 Methodists in more than 41,000 churches. Rev. Sproule stated, "Funds collected in special offerings on these days have been used for the relief of distress caused by the war."

"Our people have been showing their compassion for the needy folks of this distraught world by their contributions to the Crusade for Christ Relief and Reconstruction Fund," declared Rev. Sproule. "Next Sunday we join with other Methodists in every state to express our compassion for those who need it most—the hungry, homeless and destitute men, women and children of war-torn and occupied countries. In doing this, we remember what was written of Jesus, 'He had compassion on them.'"

March 4 was set by the General Conference of the Methodist Church as the climax of the Crusade for Christ financial appeal, and it is expected by Bishop J. Ralph Magee, of Chicago, the director, that the fund will be subscribed by that date. Solicitation of funds officially began last January 1, and contributors have until January 31, 1946, to complete payment.

APPRECIATES CLIPPER

"We appreciate The Clipper—it means so much to us. We haven't been so far away from home before, but like it here in Frisco," writes Mr. and Mrs. Harold F. Davis, 254 E. Point Road, San Francisco 24, Calif.

Continuing the letter says: "We have received our Army and Navy Citation for war work since 1941. Gold Seal, and we are very proud. Harlow is now Senior Radio Inspector after being leadman. You know he started as electrical carrier in Elba. We are with Hunters Point Navy Dry Docks." Friends will be interested in this news from the family.

## THREE-IN-ONE STUDY CLUB MET FEB. 7

The Three-In-One Study Club held its regular monthly meeting on Wednesday evening, Feb. 7, at the home of Mrs. Sam Sawyer with Mrs. Stokes Haire and Mrs. Billie Mullins serving as hostesses.

After a delicious repast was enjoyed by the members, the president, Mrs. Stokes Haire, called the meeting to order. Roll call and minutes were read by Mrs. Price Ringo. A very inspirational devotion was given by Mrs. Mayo Prescott. After reports from the various committees were given, a nominating committee was appointed for the coming year. The president read a very interesting letter from the General Federation president concerning wartime problems and the rationing program. Mrs. W. M. Spivels was welcomed as a new member. At the conclusion of the business session, the following program was enjoyed:

Subject: Tribute to Two Great Leaders; song, "America the Beautiful"; George Washington, the Christian; Mrs. J. D. Whitman; "Abraham Lincoln, the Leader"; Mrs. N. B. Creswell; song, "God Bless America".

## SURPLUS GOODS: Investigate Sales

With Congress announcing its intention to allow the whole question of surplus property disposal now to develop far practices rather than to wait until most of the goods had been sold, the senate war investigating committee ranged over the whole matter, with a plan to operate on an auctioneer fashion, the committee was told last week that he left Pvt. Hall in a hospital in England just before Christmas, and thought she would like to have some direct information. Hall was getting along nicely and the soldiers' fund committee had been talking to each other, as he is also from Alabama. Mrs. Hall expects her husband to be home in the near future.

## HOME DEMON, AGENT URGES MORE FOOD DURING NEW YEAR

Coffee County residents who played a part in the job of growing, conserving, harvesting, distributing and processing the state's food supply, should be inspired by the following tribute paid to the nation's producers.

"As we enter a new year, the demands for our food at home and abroad are so great that it is essential for every man and woman to do everything possible to help in the huge task of getting the food produced and seeing that it is conserved and shared," emphasized President Roosevelt. "Many of our favorite foods are scarce."

"To this end, I ask the people in cities, towns and villages to assist our farmers in every possible way to reach the food goals which have been set for this year."

"I call upon the millions of victory gardeners who have done so much to swell the nation's food supply in these war years to continue their good work."

"I ask those people who can spare the time to assist the nation's food processors in the task of preparing the food for our armed services, our civilians and our allies."

"I ask the millions of women who have preserved food at home so that our armed services could have the fruits and vegetables they need, to carry on until the war is won."

"I ask every American to share our available food by observing the rules of rationing and by cooperating with food merchants in the observance of food price ceilings."

"I know I can count on the American people to respond to these calls to action so that we can all truly continue to say when the war is won that our food has played an important role in the fight for freedom."

Mamie B. Matthews, Home Dem. Agent.

## COURT-MARTIAL: Stirs Nation

In case that stirred nation-wide interest and created a furry on the floor of the U. S. senate, the army's court martial of Pvt. Henry Weber, 27, of Vancouver, Wash., to hanging for the refusal to bear arms in a drill was changed to life imprisonment at hard labor.

Henry Weber's wife said that his deep personal conviction against killing in war should have entitled him to consideration as a conscientious objector before his induction. "For by grace are ye saved through faith; and that not of works," he said. "It is the gift of God; not of works, lest any man should boast" (Eph. 2:8, 9).

Nor does the truth of our lesson mean that we are somehow going to bargain with God, trading a bit of our forgiveness toward others for His forgiveness of us. God is not interested in such transactions. But it does mean that if you cannot or will not forgive, you may well consider whether you are Christian at all, for it is Christlike to forgive.

## Lesson for March 4

LESSON TEXT—Matthew 18:21-35. GOLDEN TEXT—If ye forgive men their trespasses, your heavenly Father will also forgive you: but if ye forgive not their trespasses, neither will your Father forgive your trespasses.—Matthew 6:16, 18.

## JESUS TEACHES FORGIVENESS

Forgiveness is the very essence of Christianity. In Christianity only do we find an adequate and proper dealing with sin, leading to forgiveness. Christ alone do we find that forgiveness, cleansing and regeneration.

Since God has so willingly and wonderfully provided for our forgiveness, we need not feel that we need need no urging to make us forgiving in spirit toward one another.

Yet it is indeed "a melancholy fact that there are few Christians who so little practice as that of forgiveness. It is to be seen how much bitterness, unmercifulness, spite, hardness and unkindness there is among men" (J. C. Ryle).

"The Extent of Forgiveness" (v. 22).

"How long do I have to stand it?" is the question of the human heart, especially if untouched by the spirit of Christ. The injustices of life, the offenses of our fellow men against us, all seem to pile up until the burden is about to crush us. What is the answer to man's question?

The Jews had an answer. He said three times is enough. Forgive once, yes. Again, yes. But the third time, no. Peter was bolder than the Jews. He said three times is enough. Forgive once, yes. Again, yes. But the third time, no. Peter was bolder than the Jews. He said three times is enough. Forgive once, yes. Again, yes. But the third time, no.

The spirit of Christ swept all of that aside. He said that one should forgive 70 times seven. In other words, Christian forgiveness is to be unfeigned, unlimited, to know no weariness and have no boundaries. If one really forgives, it is because he has a forgiving spirit, and that spirit is not exhausted by use, but rather grows by exercise.

A word of caution is in order at this point. Let no one suppose that the Lord's instruction means that offenses against the law of the land or against the good order of society are to be overlooked and condoned. It relates rather to the cultivation of a personal attitude of forgiveness, the laying aside of revenge, the doing away with malice, of retaliation which is not to be overlooked and condoned.

## ATTENTION, WOMEN

Thirty-three thousand wounded men were returned to our shores in December. Our Government is so in need of women to care for the constantly growing number of wounded that it has set up a plan to train women to supplement the care of nurses.

Each 1,000 wounded need 100 women and 200 men to care for them. These women are trained by the Women's Army Corps and the Medical Department of the Army.

Basic training of 4½ weeks is followed by 6 weeks in a Medical Department Technical School. The last month's training is in the hospital of the volunteer's choosing. Of the 10 hospitals you may choose from, 8 are in or near Alabama.

For further information contact the Health Department.

## IF YOU NEED GLASSES

It Will Pay You to Wait For BARSON!

After all, it's the examination that counts. Correct, scientific examination of your eyes is the ONLY way to determine whether or not you need glasses.

My knowledge in fitting glasses, gained through years of practice, has given me a State-wide reputation. Among your relatives and acquaintances you will find somebody who will tell you how satisfactory my work is.

Because I specialize in this work only—scientific examination and proper fitting of glasses—you are assured of complete satisfaction.

PACIFIC: Mighty Strike

To Tokyo's 8,000,000 terrified residents, it was as if the whole host of demons themselves had swooped from the skies; to American aviators and sailors, it offered the supreme satisfaction of slapping a vicious enemy in his own backyard, and to millions of people at home it represented the opening of the battle for Japan.

Thus shaped Vice Adm. Marc A. Mitscher's mighty strike against Tokyo and the home island of Honshu, with 1,600 Hellcats, Helldivers and Avengers planking off from about 15 to 20 carriers of the 27,000-ton class, escorted by a formidable

screen of fast battleships, cruisers and destroyers. Those meeting strong opposition, the aircraft shot up enemy planes, cratered airbases and pulverized other military installations around the Japanese capital.

While the major fleet roared on, with the once vaunted, since battered Japanese Imperial fleet failing to challenge Mitscher's force riding 300 miles off of Honshu shores, other American warships and army planes hammered the Volcanic and Bonin Islands, 600 miles to the south.
